

Autumn Challenge

Playdough

Use our playdough recipe to make your own playdough.

You could make it into 'Autumn playdough' by adding some grated carrot, or pumpkin, or some herbs and spices. I wonder which two food colouring colours you would need to mix together to make orange playdough?

Playdough Recipe

You will need:

1 cup of flour

1 cup of water

$\frac{1}{2}$ a cup of salt

2 teaspoons of cream of tartar

1 tablespoon of oil

Mix all of the ingredients in a pan.

Cook it on the hob, stirring it, until it becomes dough like in texture.

Wait for it to cool down slightly

Add any colouring or scents or herbs.

Knead them into the dough.
