Matching Pairs Christmas Card Game

Use some old Christmas cards. With a grown up cut the pictures off the front and then cut each picture in half. Then [place all the pieces down on the table or the floor with no pictures showing. The first person turns over 2 pieces and looks to see if they match, if they do they keep them, if not they turn them back over. Keep taking turns until all the pieces have been matched and then see who has the most pieces!
